

# BIOMAT-X

## Ultimate Septic Cleaner | Liquids

### OVERVIEW

Our BioMat-X industrial strength septic cleaner quickly and aggressively digests the biomat buildup in your septic system, cesspool and leachfield. BioMat-X quickly breaks down organic buildup including fats, oils, and grease (FOG), proteins, starches, carbohydrates, and cellulose – to provide the fastest action available in a liquid digestant today.

Designed for slow or failing septic systems, cesspools, or leachfields. Our BioMat-X Ultimate Septic and Leach Field Cleaner utilizes the powerful waste digesting abilities of natural enzyme producing bacteria. It is a blend of special bacteria strains (both anaerobic and aerobic types) cultured for their ability to digest and liquefy organic sewage quickly, efficiently and without odors! These potent bacteria immediately break down all types of organic waste for the most effective waste digestion product available.

These beneficial bacteria cultures are vastly superior to naturally occurring bacteria in digesting waste. Treated systems will reduce BOD and COD faster and more efficiently, enabling the system to treat higher volumes of waste.

In failing septic systems, it will eliminate organic solids carry-over and odors, and digest the biomat accumulation over years of abuse. It introduces micro-organisms into the soil for improved drainage (percolation) and smooth operations of drainfields or leach beds.

### APPLICATIONS:

- | SLOW OR SLUGGISH SEPTIC TANKS, CESSPOOLS DRAINFIELD AND LEACH FIELDS
- | LAGOONS
- | DIGESTERS
- | AEROBIC OR ANAEROBIC TREATMENT PROCESSES
- | PIT TOILETS

### ADVANTAGES:

- | CONTAINS BOTH ANAEROBIC (CAN LIVE IN AIRLESS ENVIRONMENT, NO OXYGEN) BACTERIA
- | CONTAINS FACULTATIVE (CAN LIFE WITH OR WITHOUT OXYGEN) BACTERIA
- | REDUCES HYDROGEN SULFIDE (ODORS)
- | BACTERIA ARE IN SPORE FORM FOR EXTENDED SHELF LIFE
- | CONTAINS VITAMINS TO ENHANCE BACTERIAL GROWTH
- | CONTAINS NO CHEMICALS
- | CONTAINS ENZYMES TO BREAK DOWN FATS, OILS AND GREASE (FOG), PROTEINS, CELLULOSE, CARBOHYDRATES, STARCHES AND MORE
- | BREAKS DOWN FAT & GREASE BUILDUP

# BIOMAT-X

## Ultimate Septic Cleaner | Liquids

### STRAINS

- I HIGHLY CONCENTRATED - MULTI-STRAIN SPORE BLEND (>15E12 CFU's/Gallon)

### TYPICAL PROPERTIES

- I APPEARANCE ..... MILKY WHITE
- I FRAGRANCE ..... NEUTRAL, FRESH SCENT
- I FORM ..... LIQUID
- I pH ..... 6.8 - 7.8
- I EFFECTIVE pH range..... 4.0 – 11.0
- I EFFECTIVE TEMPERATURE RANGE..... 5° – 50° C

### PACKAGING

- I 1 GALLON, 5 GALLONS, 30 GALLONS, 55 GALLONS

**Caution:** May irritate eyes. Keep out of the reach of children.
